That cookbook is *Cooking Class* by Deanna F. Cook. A few years ago, Storey published two cookbooks for kids about sewing that I like: *Sewing School* and *Sewing School 2*. With this cookbook for kids, Storey followed the same format and editing style--which I loved back then and love again with this new cookbook.

This was the cookbook which taught America how to use measurements in recipes. Back in 1896 people measured with whatever was handy until Fannie came along and standardized things. Even today her recipes are highly regarded, thanks in no small part to Marion Cunningham who has completely revised and rejuvenated the original work.
