### **Florence: Art and Architecture: Amazon.ca: Paolucci ...**

A great guide to the History of Architecture in Florence, with a highly detailed but accessible writing style. More than a travel guide, it broke down the major Architectural landmarks and structures with detailed descriptions of not just the structures themselves, but of the original Architects process, and their influence on later structures.

### **Art and Architecture: Florence by Rolf C. Wirtz**

Both had similar styles and skills, but the judges chose Ghiberti. Ghiberti got the commission, Florence got more impressive bronze doors, and Brunelleschi turned his formidable talents to architecture. It was truly one of those "win-win-win" situations, a great new development in art, and another feather in Florence's metaphoric cap.
