There is no simple 'off the shelf' approach that will work for all organisations. The change kaleidoscope was developed by Julia Balogun and Veronica Hope Hailey to help managers design such a 'context sensitive' approach to change. The kaleidoscope has three rings: The outer ring relates to the wider strategic change context.

Managing strategic change

Balogun & Hope Hailey (2008) put forward four different classification of change that maps the extent of the change required and nature (or speed) with which the change is to be achieved (Figure 1). The strength of Balogun & Hope Hailey's model lies in its recognition of the complexity of change and the need for change designs to be context sensitive.
