Wilson; The Consulting Bible: Everything You Need to Know to Create and Expand a Seven-Figure Consulting Practice by Alan Weiss

Consultant Guide - How to Become a Better Consultant

David's book, while written to guide executives hiring consultants, is a valuable guide for those starting or growing a consulting practice. I particularly value his framework for a context statement since it not only helps define the scope of a project - it provides insights on opportunities and methods to add value to a project and with doing so generate more revenue for the practice.
