Denon 988 Manual

The Denon AVR-988 is plainly put, one of the absolute best AV units money can buy. It was recently replaced by the AVR-989, only because the 988 came with only 3 HDMI sockets and the 989 was upped to 5. But for what I paid (\$540.00) and \$3 for 1-Day delivery, it was a steal.

OWNER'S MANUAL **Pdf Download |** **ManualsLib**

My Denon 988 is not doing well, the main speaker inputs are no longer functioning and the center channel terminal is broken along with a few other issues. So I need a replacement and would like to stick with Denon but maybe something 1-2 years old to keep costs reasonable. I'm using Aperion 6T floor
