"The shadow is a moral problem that challenges the whole ego-personality, for no one can become conscious of the shadow without considerable moral effort. To become conscious of it involves recognizing the dark aspects of the personality as present and real. This act is an essential condition for any kind of self-knowledge."

### **Facing The Shadow - PhrenicFit**

It is our shadow side. It is those feelings of inadequacy, worthlessness, incompetence, and a deep sense that we may somehow be unlovable. There are also the feelings of jealousy, superiority, and inferiority. Initially we may be unaware of these repressed feelings within ourselves, just as the narcissist is unaware that he has a dark side.

Facing the Shadow: Starting Sexual and Relationship Recovery: A Gentle Path to Beginning Recovery from Sex Addiction

### **Facing the Shadow: Starting Sexual and Relationship Recovery ...**

Your shadow self is the part of you that stays unknown, unexamined, and out of the light of your conscious awareness. It is the part that is denied or suppressed because it makes you uncomfortable or afraid. Whatever doesn't fit your image of your ideal self becomes your shadow. Jung asked, "Would you rather be good or whole?"

### **Healing The Split Between Conscious Self and Shadow Self**

Realize that the shadow side is a reflection of your power, your honesty, your passion. Talk to someone you trust, possibly a therapist. This acceptance process is a part of the journey to becoming an elder and a wise woman. If we can be brave enough to face our dark side, we can become integrated, whole and comfortable in our own skin.

Facing the Shadow The Shadow is the part of the human psyche that has formed a complex, often unconscious system of beliefs and behavioral patterns based on what we perceive with our egos. The ego is the part of our perception that originates from fear, which, according to the Angels is merely the illusion of separation from God and one another.
