The primary focus is the front office, housekeeping, reservations and night audit departments. Other departments are discussed to provide an understanding of how these departments relate to the front office and how they operate to enhance the guest experience.

Front Office Operations & Management: Ismail, Ahmed ...

Evaluating the results of front office operations is an important management function. Without thoroughly evaluating the results of operations, managers will not know whether the front office is attaining planned goals. Successful front office managers evaluate the results of department activities on a daily, monthly, quarterly and yearly basis.
