### **Making Africa Work: A Handbook | Cato Institute**

A must-read for anyone interested in African governance, development and investment, this book also provides fascinating perspectives on the evolving relationships between Africa and its neighbouring continents of Europe and Asia, and what we all need to do to make those work. The old Latin tag "ex Africa semper aliquid novi: out of Africa, always something new" is truer than ever in a world where Africans will account for 48% of the global population aged 14 and under by 2100.
