Spain - Spain - Culture of Muslim Spain: Arab civilization in the peninsula reached its zenith when the political power of the Arabs began to decline. Immediately following the Muslim conquest in the 8th century, there were no traces of a cultural level higher than that attained by the Mozarabs who lived among the Arab conquerors. All available evidence points to the fact that in this period ...

Muslim Spain, Its History and Culture by Anwar G. Chejne

This comprehensive history of Muslim Spain in the centuries from 711 to 1492 provides a panoramic view of the whole field of Hispano-Arabic culture, including science, philosophy, and the arts. As the account makes clear, Muslim Spain was always an integral part of the main literary and intellectual stream of the East and as such was as Islamic as Syria or Egypt.

Muslim Spain: Its History and Culture: Chejne, Anwar G ...

The Muslims in Spain had begun to focus their whole attention on what they called al-Andalus, southern Spain (Andalusia), and to build there a civilization far superior to anything Spain had ever known. Reigning with wisdom and justice, they treated Christians and Jews with tolerance, with the result that many embraced Islam.

Islam in Spain - IslamiCity

For decades I had longed to visit Spain, not only for its legendary charm and picturesque beauty but, more importantly, to witness the heritage of almost eight hundred years of Islamic presence. In December 1998, I travelled to Spain as a participant in a colloquium, sponsored by the Paris-based International Society for the Study of Arab and Islamic History and Science (in conjunction with ...

Spain's Islamic Legacy - Muslim HeritageMuslim Heritage

Despite the apparent promise of its size and title, this is a dated and not particularly balanced treatment of its subject. Too given to generalisation, it presents an idealised picture of Muslim Spain.

The history of Spain dates back to the Antiquity when the pre-Roman peoples of the Mediterranean coast of the Iberian Peninsula made contact with the Greeks and Phoenicians and the first writing systems known as Paleohispanic scripts were developed. In 1516, Habsburg Spain unified a number of disparate predecessor kingdoms; its modern form of a constitutional monarchy was introduced in 1813 ...

The Muslims' presence in Spain, closer to the perceived heart of Europe perhaps than their parallel presence in the Balkans, has long attracted historians. Their history has often been rewritten as larger attitudes toward Islam change (Castro 1954 , Linehan 1993) and there now exist a number of resources for anyone interested in the subject.

2. The Alhambra in Granada. You can't talk about Islamic Spain and not talk about the Alhambra. If you visit Granada, you can easily see it from afar up atop its hill. It started out as a small fortress in the 800s and was redesigned into the palace you see today when the massive al-Andalus empire was reduced to the Nasrid Emirate of Granada during the 1200s and 1300s.
