scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

### **Preppy Guide**

The Official Preppy Handbook is a tongue-in-cheek humor reference guide edited by Lisa Birnbach, written by Jonathan Roberts, Carol McD. Wallace, Mason Wiley, and Birnbach. It discusses an aspect of North American culture described as prepdom. In addition to insights on prep school and university life at socially acceptable schools, it illuminates many aspects of the conservative upper middle class, old money WASP society. Topics range from appropriate clothing for social events to choosing the

A preppy style has a lot in common with classic style so you may well find that you are drawn to elements of both. It can also draw inspiration from natural style. As a preppy style personality, you love cozy knits, checks and stripes and prefer to wear flat shoes and natural fibers, including leather as well as wool.

A common preppy hairstyle is the shaggy look or the fluffy look, or hair just parted on the side and short. Lately, many preppy guys are going away from the long hair styles and back to traditional shorter hairstyles. Think the 1940s and 1950s crop top and crew cut. No unnatural hair colors or shaved hair.

Preppy clothing tends to go for a classic palate made up of navies, whites, and crimsons. You can also incorporate colors such as burgundies, emerald greens, and deep browns. You should not avoid bright colors altogether, however. Bright and bold primary colors can also work well, especially with items like dresses and skirts.
