generation.

Siva: The Siva Purana Retold | Ramesh Menon | download

Ramesh Menon has done an excellent job in compiling this book. This book is written in simple language and is in the format of a story and snippets from the original purana. For people like me who are not familiar with sanskrit phrases this is a good start.

Amazon.com: Customer reviews:

Siva: The Siva Purana Retold

I have not read any other translations of the Siva Purana. So I cannot compare this to any other work's. As a fan of Ramesh Menon I give him a 5 star for the simple fact of bringing this work to the west. Short compared to the Bhagavatam Purana it tells many stories that are not in other Purana's. If you are a devotee of Siva then this is a great read.
