The Poetics Of Sight Cultural

The Poetics of Sight analyses the role of sight in memory, dream and popular culture and demonstrates the structure of a complex sight within the metaphors of Shakespeare, Pope and Dickens; and within the visual metaphors of Picasso, Magritte and Bacon. This book explores the difference between the great and the failed works of the supreme poet-painter, William Blake, and tracks the migrations of the Satiric muse between verbal mockery and scabrous images in Persius, Pope, Gillray and Gogol.

The Poetics of Sight is 'an intermittent history of culture's "visual turn" through the last four hundred years', during which time the subject of sight itself has become, until quite recent years, of primary literary and artistic concern. This book is mostly about the visual life of poetry and prose fiction and 'about the poetic life of pictures'.

Homer's *Odyssey*, Odysseus describes the sight of his companions devoured by Scylla as the most pitiful spectacle he ever witnessed over the course of his wanderings. Many centuries later, the fascination elicited by the “dog of the sea” still holds sway among the elite of imperial Rome, who have her occupy the central basin of the richly decorated grotto of an imperial villa near ...

This is the first book to examine Chinese poetry and courtier culture using the concept of *shengse*—sound and sight—which connotes sensual pleasure. Under the moral and political imperative to avoid or even eliminate representations of sense perception, premodern Chinese commentators treated overt displays of artistry with great suspicion, and their influence is still alive in modern and ...

Kevin Adonis Browne's *High Mas: Carnival and the Poetics of Caribbean Culture* is a gorgeous rhetoric, a poetic, visually stunning, and necessary book. That it is a rhetoric is clear from Browne's essays that theorize, meditate on, and historicize Carnival. These essays explore memory, blindness and the problems of sight, composition, light, refusal, something like freedom and the practice of Caribbeanist photography.

John Freccero enables us to see the Divine Comedy for the bold, poetic experiment that it is. Too many critics have domesticated Dante by separating his theology from his poetics. Freccero argues that to fail to see the convergence of the letter and the spirit, the pilgrim and the poet, is to fail to understand Dante's poetics of conversion.

SO good. Changed how I think about poetry, art, the academy, the world (political/cultural/et al), and how all of those interact. She's a kind of female W.G. Sebald, except a bit different -- instead of interpolating grainy, processed, & hauntingly beautiful pictures, as Sebald does, she inserts quotes from texts of all kinds - literary, poetic, philosophical, criticism, theory, etc. Read this ...
