paying off their debts.

Debt of developing countries - Wikipedia

Debt settlement is a service offered by third-party companies that can try to reduce your debt by negotiating settlements with your creditors or debt collectors. Some debt settlement companies may be successful at reducing your debt, but their services and programs also come with risks that could leave you deeper in debt.

How Debt Settlement Works: Pros and Cons | Credit Karma

Any time a collector attempts to collect a debt, you have the right to ask them to send proof of that debt, the amount they claim you owe, and their legal ability to collect the debt from you. The Fair Debt Collection Practices Act (FDCPA), a federal law regulating third-party debt collectors, allows you to request the debt collector to send proof of the debt through a process called debt validation.

Debt Validation Requirements for Collectors
