rather than your work experience. Instead of a work experience section, a functional resume contains expanded skills and accomplishments sections.

## **Types of Resumes: Different Resume Types Used by Job Seekers**

A resume is typically sent with a cover letter, which is a document that provides

# File Type PDF What S A Resume 2

additional information on your skills and experience in letter form. A resume is a concise, often bulleted summary, while a cover letter highlights and expands on certain traits or accomplishments that would be unique or ideal assets for the particular job.

## **How to Write an Effective Resume**

## File Type PDF What S A Resume 2

A resume provides a summary of your education, work history, credentials, and other accomplishments and skills. There are also optional sections, including a resume objective and a career summary statement. Resumes are the most common document requested of applicants in job applications. A resume should be as concise as possible.
